DETAILED ACTION

Election/Restrictions

Claims 1, 22, 32 and 79 are allowable. The restriction requirement among different species has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim. Claims 12-14**, directed to non-elected species are no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowable Subject Matter

Claims 1-3, 7-9, 12-14, 20-22, 28-34, 37, 39, 40, 44, 45, 49, 50, 58, 61 and 64-90 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or suggests to combine a fiber laser wherein the gain medium is a homogeneously broadened rare-earth doped fiber that has a superstructure grating written in it that forms at least three cavities oscillating at different wavelength simultaneously and at each of the cavities occupying a portion of fiber that is not occupied by any other cavity, these limitation in combination with the rest of the limitations of the claim are novel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
